1.1. INTRODUCTION AND BACKGROUND

The Government Employees' Pension Fund is Africa's largest pension fund, with 1 265 421 active members and 464 138 pensioners and beneficiaries as at 31 March 2019. We have more than R1.8 trillion in assets under management and are the single largest investor in Johannesburg Stock Exchange-listed (JSE). We have significant holdings in government bonds and invest in unlisted equity and property.

Our core business, governed by the Government Employees' Pension Law (1996), is to manage and administer pensions and other benefits for government employees in South Africa. We work to give members and pensioners peace of mind about their financial security after retirement by ensuring that all funds in our safekeeping are responsibly invested and accounted for and that benefits are paid out efficiently, accurately and on time.

Currently the GEPF has more than 320 participating employers, which include all national and provincial government departments and the South African National Defence Force and Intelligence Community. The GEPF has a footprint in all 9 provinces within South Africa, and is committed to the effective and efficient provision of benefits to members, pensioners and beneficiaries.

1.2. OVERVIEW OF THE INTERNAL AUDIT FUNCTION

The GEPF internal audit function currently has 2 resources internally, which includes the Internal Audit Manager and a Senior Internal Auditor. The Internal Audit Manager reports administratively to the Principal Executive Officer and functionally to the Finance and Audit Committee of the Board.

The GEPF's Internal Audit function places reliance on the work conducted by the PIC and GPAA internal auditors with regard to the asset management and administration functions that are outsourced to them respectively.

1.3. THE OBJECTIVE OF REQUEST FOR PROPOSAL

The objective of this Request for Proposal is to invite parties, in good tax standing, to submit proposals for consideration to be appointed to assist the Fund (GEPF) through providing internal audit services in execution of the internal audit coverage plan.

The Terms of Reference are intended to define the purpose, scope of work and deliverables of the required service for the GEPF for which the appointment of a service provider is required.

1.4. PURPOSE OF THE REQUEST FOR PROPOSAL

Government Employees Pension Fund (GEPF), being the largest pension fund in Africa, is looking to appoint a reputable and well-established independent Internal Audit firm to assist

GEPF with augmenting the capacity within GEPF Internal Audit on a co-sourced basis for a period of 5 years. These internal audit activities are required to be conducted in accordance with the internal audit charter, internal audit coverage plan and combined assurance framework approved by the Finance and Audit Committee (FA-C) in line with accepted best practices in corporate governance and the professional standards of the Institute of Internal Auditors.

1.5. SCOPE OF SERVICES

The scope of work covers the provision of internal audit services for the period of 5 years. The 80/20 principle will be applied in terms of the planned versus unplanned projects.

The scope of planned projects will include, inter alia, the following projects:

1.6. INDEPENDENCE AND OBJECTIVITY OF STAFF

The internal audit service provider to the GEPF and its staff through whom it delivers the service to the GEPF need to be and remain independent of the GEPF and all of its significant service providers such as the Government Pensions Administration Agency (GPAA) and the Public Investment Corporation (PIC).

In carrying out the work, the internal audit service provider must ensure that their staff maintains proper objectivity by remaining independent of the activities that they audit.

1.7. TIME FRAMES

The term of the contract is envisaged to cover a period of five years, renewable on an annual basis based on performance.

1.8. CONTRACTUAL OBLIGATIONS

Compliance to these above requirements will be evaluated in the first phase, all companies who do not submit the above documents will be disqualified.

D. Price

Companies must submit a separate price proposal that is broken down in detail.

Internal audits are generally based on hourly rates and typically detailed audit budgets can only be drawn up once the appointed auditor has been able to assess the likely extent of each particular audit project. Accordingly, financial proposals will be compared on the basis of hourly rates inclusive of overheads and VAT which bidders must supply in the form of the table set out below. Proposed hours per project should be broken down as per the various professional levels stated below:

Item (where applicable)	Hourly Rate (including overheads and VAT)
Engagement Partner	R

Partner	R
Senior Manager	R
Manager	R
Assistant Manager	R
Supervisor	R
Senior Auditor	R
Trainee Auditor	R
Specialists (e.g. IT, other technical)	R

It is recognised that it is difficult for a prospective bidder to be firm about the extent of the work based solely on the terms of reference. However, to assist with assessments, a firm must provide a typical distribution of time for members of the audit team on a job of this nature. This should be expressed in percentages of the total person-hours billed on a typical job (see table below, which is indicative only and not binding on the firm).

The annual fee should be allocated for each of the following professional levels for the five year period, in line with the bidder's project methodology, for example:

Item (where applicable)	Typical Percentage of Total Hours on Project
Engagement Partner	%
Partner	%
Senior Manager	%
Manager	%
Assistant Manager	%
Supervisor	%
Senior Auditor	%
Trainee Auditor	%
Specialists	%
TOTAL	100

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
